French Phone Number

 Try it out.

```
^(?:0|\\(?:+33\\)?\\s?|0033\\s?)[1-79](?:[\\.-\\s]?\\d{2}){4}
```

A french phone number must begin with one of the following:

- a zero
- +33 (surrounding with optional parathensis), all following by optional space
- 0033 following by optional space

Then a number between 1 and 7, or 9.

Then four groups of 2 digits, optionally seperated by one of the following: point (.), dash (-), space (\\s)
